Once you press submit on your guesses, the "X" under your name with the red background will change to confirm your guesses are "IN" on the green background.</p> <p>All the Guesswork from everyone will become visible when everyone's predictions are in, or when the first game in the '12' kicks off. If you miss the deadline for the round, then you will not be able to us bankers in the round. If you miss the deadline, and games have kicked off, then no bankers will be allowed, and the games that have kicked off will be treated as wrong guesses, and result in penalty points. Once the games are underway, the order will change, so that the player with the MOST points will show first, worst last... It will then show at the end of the round the best players, and which scores they predicted correctly in first place.</p>
